Have a enjoyable trip in Hokkaido!!

SETTING YOUR DESTINATION

1: First, Touch **【目的地】**(The DESTINATION) button on the screen.

2: When the screen shown on the right appears, touch **【電話番号で探す】**(phone number) or touch **▼** and touch **【マップコードで探す】**(map code).

3: Enter the map code (or phone number) of your destination and touch **【検索】**

※Pay attention to enter the correct numbers because the system will lead you to a different place if you enter the wrong code.

4: Then the screen will indicate your destination. If it is right, touch **【ここに行く】**.

5: The recommended route **【推奨ルート】** will be shown, but if you choose other routes, touch **【5ルート】**. You can choose a different route from 5 opinions.

Note: If you don't want to get on Expressways (toll roads), touch **【一般道優先】**.

6: Finally, touch **【案内開始】** automatic guidance to the destination will begin.

Cancellation of the route

1: Touch **【目的地】** on the screen.

2: Touch **【目的地消去】** on the screen. And then touch **【消去する】** on the screen.

Using audio sources

When you listen to the music from CDs, touch the **▲** button on the lower left side of the Unit.

・Touch **【▲CDを入れる】** to insert a CD.

When you listen to the music from your digital audio player, connect your digital audio player to a interface cable.

・Touch **【外部入力】** on the left side of the screen.

Note : Interface cable is in the glove box.
